Zwartkopsberg Farm · P.O. Box 117 · Kakamas · 8570 · South Africa

## Traceability declaration

In order to ensure full traceability of each consignment, we develop robust procedure whereby each individual carton/box of product is clearly identifiable and has the following information as a minimum

- Grower Identification
- Packing date
- Packer identification
- The Farm (plot or field)

This information are labelled by box accordingly

To comply with legislation, we as supplier also make sure each individual carton/box of product is clearly identifiable with the following information

- Product name
- Variety
- Country of origin
- Class
- Weight

On request, we will be able to immediately provide information regarding the pre- and post-harvest treatment of the product

This includes information on fertilizers and pesticides applied, and irrigation. Spray records are detailed with the dates of application and include a 'first permitted harvest date'
